Welcome to your dream mountain retreat! This beautifully updated 3-bedroom, 3-bath cabin combines rustic charm with modern comfort. Nestled in a serene setting, the home boasts a spacious split floorplan with a large gourmet kitchen featuring granite countertops and ample space for entertaining. Each of the three upgraded bathrooms offers stylish finishes and contemporary fixtures, with 2 of the bedrooms being primary suites. Step outside to enjoy the expansive, covered front deck built with durable Trex decking and accented by custom powder-coated railings ideal for relaxing, entertaining, or simply taking in the surrounding beauty year-round. There is a fenced back yard as well as an oversized attached garage, PLUS a detached 30x30 garage, detached 10x14 heated and insulated craft shed, backup generator and whole house water filtration system! Whether you're looking for a full-time residence or vacation getaway, this cabin checks all the boxes. Don't miss your chance to own this unique blend of comfort, style, and cabin living! Can be sold furnished.
